

2018 Cherokee Rose President's Challenge

Members,

My challenge is an embellished quilt. Since our show is in July, I would like the challenge quilts to be hung as a group in the show. Please take on this challenge. I think it will be a great opportunity to show our community and other guilds how creative and talented we really are. Read below for the rules.

Rules:

1. The quilt must be at least 36" X 36" or larger.
2. Six types of embellishments must be used.
3. Attach a sleeve. 4" or 4 ½ "
4. Show at the June 5th meeting for judging and leave with us for the show. We will provide the paperwork for you to fill out for the show.
5. Cut and fill out the form below and attach to your quilt for our judging.

Again, please participate so that we can have a good showing.

Thanks,

Belinda Benson
